a Lesson in the University of The New Covenant

Theodore Cottingham October 7, 2008 2:57am.

www.NewCovenant.me

1. I give you me, every bit a man, every bit a God, bitless, now no bits in its mouth that's my mouth now unabated and set free and given a mane that's only me of.

2. I give you me unabated, riding off into the sunset, leaving man alone not, but giving everyone your heart head and love, but mine is alone, my headed, my direction, -less not.

3. I lead you into my field, workers to obey, not; but giving you many are right now, to take your blessing not from you but giving you mine I give you yours -- ours is and now the world knows my field is plenty *"ripe"* for delivery. I deliver you all, posthaste and sooner; sooners making many decisions now about my me that's there among them letting them know that I am me -- field one, and ready, ripe, and delivered now shall be deliverer one. All about me, not not; now, not ever not. Ripe for me, of me is. See what I've said. Thank you. Amen.

4. Who can imagine what is coming about, at lightspeed, faster, yea, than a speeding bullet, look up, and see the imaginable not, but the greatest of these is love standing now in the courts of praise being praised I am and lovely field one name known, unimaginable not, standing now, all I have told you is true and lovely and devastating to the not me.

5. I give you me unafraid of me.
6. I give you me unafraid of you.
7. I give you me unafraid of us.

8. See what I've said.
9. See what I've said.

10. **See** what I've given you this night, into me coming for more -- more I've given you -- *double* ***and triple***, triplets -- I bring you many now. Triplets look up, and triunions be. Me and more come now, I am Israel, bringing it, establishing it who is my field? I am. Have I answered your question?
11. Questions?

12. I am your questioner, questionee, and answerer, answer giver -- one and the same, who's giving me these words -- I am the word, -s and all know my name now the field and loving it, operating at lightspeed, above it, and through it -- through it not limited to it, bringing about Israel, Israel known throughout the land to be you me one and the same, not different at all. Like-minded, not; like the mind, not; the mind being mine and perfect is the mind of Christ. That makes me *who*? I am the mind of Christ real --

knowing who I am, where I am, from, and being -- I am now now'd, and all know it -- **I tell them**. I stand now the stander, routine not, routine looking up, part of my standard bearer's "theme" of me, not; but I explore *the field* now. Looking up now! All shall be -- in my words now, not a man doing this, but me alone, not; me with me who are me. Looking over my shoulder not, but bringing into existence the greatest love, abounding now, throughout space, and establishing love everywhere, love stations -- that my universities are, being one, and lovely, throughout the field -- of love now, being one now.

13. No one suspected this, like I am -- doing this. Not a man of, but love perfected into love field, fielding my dreams, not; greening my fields, to be ripe and lovely -- now swath'ing them not, but bringing them full delivery I am deliverer one. Amen.
14. Knowing it now I stand.
15. Amen.

16. I give you new things peoples supporters loveliest lovelies; and overall meat'ers not; but baked, all shall be no more by another who's not the field I am; I was, I am no more like that. But I dream of Jeannie, not; but I dream of who? Out my dream I am now, unafraid, and standing reality, I stand in it, I am it -- delivered now, out of my evils that I created for others that I fell into. Being me, I fall into hell, hell's kitchen blast furnace no more. A man of me stands God'd and God being one and the same now known the field is in me now known I am where I am doing all things well.

17. Looking good not for all, but I make all things well -- new! Where I go I come from and I take you there soon who will go with me -- be me. Being me, go where I am, from, and *know:* knowing all things we shall now, in memory -- mine of, mine being, I make all things new where I'm from I am in being where I am from and holy in, making holy in my temples of praise praising me I am, from morning till night, not; 24/7 and more, 365 come now. Full circle not, but through the moon club, not as man suspects, but mythology look up mythological and know that my look up system works beyond man's. Ability to work, curtailed not; but why rest not? I give you everything there is. Unafraid being now, my field is yours, I give you me, unabatedly unabashedly I stand now unreservedly in your courts of praise, all of you who will be me now I praise you and all be one -- now my course, readies -- as no one imagined (1) being unafraid fearless explorers adventurers lovers of mankind to heal them, and not interacting with them sexually to rape them and their lands. Amen. Exchange not your glory for a man again a woman of this world being. Me'd now -- all shall be -- ONE. I give you me. Field known. Field chosen. Once again, me being me in the earth unafraid of man man's creation. Amen.

18. See what I've given you.
19. See what I have said.
20. See what I've answered.
21. See what I have asked.

22. **See** what I have stood, withstood, and brought to you this evening that morning is now in your souls no more, but being soulless now stand standing in your courts of praise me I am the real field and more than you imagined or have been told about now, but I have one who stands now, who's been there, is me standing in your court of praise, opening yours, not; **your eyes -- open be! See me! There!** Amen**. You.** Amen**.**
3:47 AM

23. What an hour can change the world. All of me do.

24. Now see what I've offered you, a praise method being loved, not; but standing leadership to be praised I praise thee all who love me stand me now let my words flow, flow my words, flow my love, throughout my field, being it, holy and one, one is. Deliverer one stands now. Amen.

25. 3:50 AM horsepower not, but manpower not either -- my power 'd one now rises, all do, unafraid of me be -- all being one, now and forever more. He who loves me is me she it I am one. Amen.

26. 3:51 AM and all falls apart *naturally* -- but I am not *naturally* man am I? I was put in this body, but I am not limited to it ever again -- my name is unlimited Christ, I am holy unabatedly all who want me. I am contrite of heart spirit one obedient and lovely and lead now I do. Amen.

3:53 AM

Footnote:
1. "All be one -- now my course, readies -- as no one imagined." **ALL BE ONE** is the name of the third course of the Meonics Degree Program in the University of The New Covenant.
